Letter From the Principal

Dear Parents,
 Thank you to all volunteers and teachers for making our Fall Festival so successful. We are so fortunate to have so many folks pitching in to help in so many ways, and to have dedicated PTA board members who worked tirelessly to pull off such a successful event. Bagdad has several events scheduled for November. We will have our book fair November 9-13. This is a great opportunity for parents to shop- not only for books, but we will also auction off gift baskets in our Silent Auction. On Veteran's Day, November 11, we will hold an assembly at 1:45 pm, recognizing Veter-

ans for their service to our country and helping students understand the significance of this day. On Tuesday, November 12, we invite family to enjoy Thanksgiving Lunch with your child(ren) here in the cafeteria. We hope that you can attend and certainly invite extended family as well. That same evening, please come eat with us again! Our PTA will sponsor a "Hot Dog Supper" with hot dogs only \$1 each! We will have a brief PTA meeting and will open the book fair as well. We hope to see you at these events and future events as a way to connect your child's school life with home life as

we know the importance of this connection. We know that work schedules get tight and we get particularly busy as we approach the holiday season, but please consider taking the time to share in your child's school experiences. Your involvement in your child's education is of great significance to their learning and helps to create a sense of community. We welcome you and look forward to seeing you around campus!

Sincerely,

Cathy White

District News – November 2009

Dear Parents:

This August, Leander ISD launched ParentLink, a communication tool that keeps our parents interested, informed and involved in their child's campus. ParentLink has proven to be extremely effective in enhancing LISD's ability to communicate campus and district activities with our stakeholders.

In October, LISD mailed parents their login IDs, passwords and instructions for accessing their ParentLink account. Using this information, parents can now log in and change their user ID and password to one of their choosing. (Note: This information does not pertain to Parent Connection, the system that allows parents to access their student's grades and attendance information. ParentLink is strictly for campus and district communications.)

Some parents may have received more than one letter, each with a different ID and password. **If you received more than one letter, please log in under one ID and password.** Once you have logged in, you have the ability to merge all of your accounts into one account.

If parents need assistance editing their account information, they can visit www.leanderisd.org and click on ParentLink/Insider News or contact their child's campus
